

Specialist Sports' funding – end of year review July 2023

The government is continuing to provide additional funding of £150 million per annum to improve the provision of physical education (PE) and sport in primary schools. The government's aim in providing this funding is to ensure the health, enjoyment and wellbeing of the children. The money can only be spent on improving the quality of the schools PE and sports provision.

What has the funding paid for?	Amount	Effect
Amaven sports assessments, challenge days, planning and daily movement sessions	£689.00	The funding has allowed children to engage in both skills sessions and competitive activities. Challenge days have shown individual, class and school progress in core PE skills during the year. Focussed planning and assessment for each class - sustainability in the future
Congleton Education and Community Partnership Sports contribution	£462.60	The children have had access to an increased range of competitions. Children displaying and improving their skills and sense of teamwork. There have been a number of children who have participated in sports' competitions such as athletics, for the first time
Sports equipment	£1402.61	Equipment to support exercise at break times and PE lessons
Fitness club for all children	£3276.00	Outside provider providing lunchtime fitness club – increased participation
Development of breadth in PE curriculum	£4146	Staff working on breadth of the PE curriculum from specialised coaches working alongside school staff.
Increased break and lunchtime fitness	£5400	Staff working on PE development through organising and giving children access to competitions. Improving participation in lunchtime and break time physical activity
Spend 2022/23	£15, 400	

73% of Y6 children leaving Astbury in July 2023 achieved the following:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations

Our school received **£15,340.72** for the Year September 2022 – August 2023.

What we will spend our funding on this school year 2023 – 2024.

We will continue to fund Amaven to further develop the PE curriculum and assessment throughout school and support staff in their delivery of PE. We will also buy into the Education and Community Partnership to give our children access to a range of tournaments and competitions locally. In addition this year, part of our funding will be spent on employing a KICK coach to deliver a sports afterschool club and promote sport through mentoring.

For the 2023-24 academic year, we are expecting a funding total of £16, 560
