COVID – 19

COVID cases are still on the increase in Cheshire East with current case rates at 157/100,000 (up from 41/100,000 only three weeks ago). Advice from Public Health is that the most obvious 'Delta variant' symptoms in younger children and teenagers includes a **cough, headache and an upset stomach, including diarrhoea**. If you or your children directly experience any of these symptoms, please get a PCR test. Do not send your child to school with these symptoms and please inform school of the test result.

Please continue to wear face masks and distance from other families on the playground and school path.

## **Music for Life:**

Learning a musical instrument brings so many benefits to a child's overall development as well as developing a skill and interest that a child can have for life. Music for Life is a not-for-profit music service working in partnership with schools which currently arranges lessons for more than 4,000 young people across our area. The deadline for booking a new course to start in September is the **31st July**. (Please note that bookings are subject to a final confirmation from the tutor and from school that the extra course can be accommodated but more than 99% of people who request lessons will get a place.). *If your child currently has lessons with us and wish to renew for September, we will be in touch directly with a link via email towards the end of June.* Find out more and book before 31st July here: [www.musicforlife.org.uk/apply-now](http://www.musicforlife.org.uk/apply-now)

## **Tiny Toes Ballet:**

Starting on the 18<sup>th</sup> of July in the Astbury Village Hall, Tiny Toes Ballet are starting ballet classes for babies and children aged from 6 months - 7 years. Tiny toes ballet is the only pre-school ballet programme in the UK that is fully integrated with the EYFS curriculum, having been founded and developed by not only a professionally trained Classical Ballet Dancer and Qualified Ballet teacher but also a highly experienced Primary School Teacher. They also offer termly themes, role-play, props, exploration, creativity and lots of fun and laughter!

## **Summer Reading Challenge – Congleton Library:**

This summer, your child can take part in Congleton Library's Summer Reading Challenge. Each year the Summer Reading Challenge has a different theme. For 2021, The Reading Agency is partnering with WWF for Wild World Heroes, a nature-themed Challenge that will inspire children to engage with environmental issues. Through reading books, collecting rewards and learning all about our planet, the Challenge is the perfect summer activity to build young readers' skills and confidence during the long break from school. Children can also take part online through the official digital Challenge platform [wildworldheroes.org.uk](http://wildworldheroes.org.uk).

Summer Reading Challenge 2021

# WILD WORLD HEROES

Presented by The Reading Agency.  
Delivered in partnership with libraries.

### How does it work?

Sign up at Congleton Library and collect your free pack.

Choose your first two library books. They can be about absolutely anything... stories, facts, joke books or you can choose e-books or e-audiobooks.

When you've read them come back with your pack and tell us about them. We'll give you some stickers – watch out, some are a bit smelly!

Choose library books **three and four**. Read them. Come back and collect more stickers for your pack!

Choose library books **five and six**. You're nearly there...

Come back and tell us about your last two books. We'll give you even more stickers and this time you've earned an **AMAZING medal and certificate**.

We'll be hosting some fun events over the holidays too.

Perhaps you'd like to do it all over again online?
